Odd Squad Productions Society is a registered not-for-profit Canadian charitable organization. We are committed to educate and to inform youth on the dangers of substance drug abuse and criminal behavior. Located in the city of Vancouver, our reach extends across Canada, and internationally. We produce powerful, thought-provoking documentaries and audiovisual presentations that demonstrate our deep commitment to prevention, which has reached hundreds of thousands of youth over the past sixteen years.

As schools and community groups have become aware of our work, Odd Squad has experienced exponential growth. Our structure is made up of a multitude of active and retired police members and an onslaught of volunteers, keeping this not-for-profit charitable organization busy and productive. This unique structure has enabled unprecedented insight and access to the devastation that can result from poor decision-making.

Thanks to corporate support from you, Odd Squad;

EDUCATES youth on avoiding risky behavior
EMPOWERS them to make positive choices
IMPACTS by encouraging long, healthy lives

Odd Squad Productions continues to grow and prosper as a unique independent charitable organization.

Our programs are designed specifically to empower youth to make good choices and become positive role models for their peers and community members.

We are honored to invite you to join us for a tremendous evening of camaraderie, entertainment, action and intrigue at the River Rock Casino Resort on June 13th, 2013.

Odd Squad members continue to deliver successful presentations, peer to peer programs and produce educational video presentations as we move into our 16th year.

Your support of the 2013 Odd Squad Gala Fundraiser will help provide the resources required to enable us to continue delivering our programs in schools and communities.

Help us continue to make a difference!

Thank you
